05	Brief of Work Done :- <p style="text-align: center;"><u>Awareness on Traffic Rules</u> <u>by Khariar P.S., Nuapada.</u></p> <p>With the introduction of Motor Vehicles (Amendment) Act, 2019, traffic police in several parts of the state have pulled up their socks to enforce new rules. The IIC of Khariar Police Station in Nuapada District has taken the initiative to create awareness among students. The staff of the Police Station visited several schools in their jurisdiction to sensitize the students about new traffic rules. Both male and lady police officials under the leadership of IIC met students with messages on road safety and the new rules. The decision to spread the message through school students was taken because police thought that it would be earlier to reach more people through children.</p>
