Generally, the cyclists face accident during the night hour as they do not have any indicator/reflector. International Road Federation and its Odisha association raise their hands to adhesive Retro Reflective Tape in the Bicycle with the assistance of Commissionerate Police. To streamline the activities, a training programme was organized with the Traffic Police of Cuttack on 8.7.2016. Sri Sanjeev Arora, IPS, DCP Cuttack inaugurated it in presence of Sri Anupam Avasthi, Director, IRF. Both of them imparted training to the traffic police and traffic volunteers.</p>
