## From the Editor...

We are happy to bring out the 4<sup>th</sup> issue of the quarterly news letter with relatively larger space for activities from outlying units and establishments. Thanks to our PRO and his team for their efforts in regularly scanning the newspapers to come across any good initiative and then being in touch with the concerned units to share them with us. In spite our best efforts and while the 4<sup>th</sup> Issue is in print, not much information on such activities comes out voluntarily. But it is interesting to note that "Ama Police Samitis" now take up wide range of activities of public interest- from Cyber Crime Awareness to Health Care to Blood Donation Camp.

We will be looking forward to your views and contributions to enrich the contents of this News Letter in future.
