From DGP's Desk

I am happy that 12th edition of Odisha Police News letter is going to be published shortly. The news letter has showcased several good works done by state police in last few months.

Most important event for the last quarter was Car Festival. I am glad that due to meticulous planning the event was conducted flawlessly. I thank all officers and men for their excellent efforts and teamwork which made it possible.

Meanwhile, I have completed one year as DGP, Odisha. It has been very fulfilling and satisfying experience to serve the people of Odisha as Chief of Police force. During this one year we have improved our performance in almost all spears of police work such as law and order management, crime detection, anti-naxal operations and many pro-people activities. The response of people has been overwhelmingly supportive and I can't thank them enough for the same. I also express my gratitude and appreciation to my team of officers and men who have strived hard with me in last one year.

In coming days we will operationalise one Model Police Station in each district. Similarly, Counseling Centres for women are being planned in five more districts. Modernization of police force is very crucial for us. Our performance in implementing CCTNS has improved considerably. This will be taken ahead in coming months.

An operation to rescue missing children is under way and eight teams of Odisha Police are in different parts of the country to rescue such children. This is part of our Paree campaign which has received unprecedented love and support from people.

The festival season has just begun. Besides, Bhubaneswar will host the World Cup Hockey-2018 soon. Odisha Police will also organize 3rd All India Police Judo Cluster at Cuttack in November. I appeal to all members of Odisha Police to be in readiness for these events and discharge their duties with high standard of sincerity, integrity, honesty and sense of commitment.

Lastly, I convey my good wishes to all Police officers and men and citizens for a Happy Durga Puja and Diwali festivals.

(Dr Rajendra Prasad Sharma)

From the Editor...

With the twelfth issue of the Odisha Police Newsletter I bid good bye to the editor's desk. It has been a long journey of three years, starting with the first issue in January 2016.

Barely a fortnight before the publication of the first issue, on 14th December 2015, it was decided in a meeting chaired by then DGP, Sh K.B. Singh to publish a quarterly Newsletter for Odisha Police and I was entrusted the job of heading the editorial board. With little time at hand, it looked like an uphill task. Thanks to PRO, Sh Parida whose carefully archived photographs and news clippings largely saw us through the maiden issue. Once struggling for contents to have an eight-page issue, we have now to work extra hours to edit the contents and confine it to sixteen pages. Sanjeeb and Arun contributed to the contents immensely as members of the editorial board. The commitment and sense of ownership of Sh Subhanshu Tripathy and Saroj of Graphic Art Offset Press, who design and print the Newsletter, is exemplary.

I am privileged to walk the journey till now and happy for leaving it when it has matured enough with its distinct flavour. The old volumes of the Newsletter, I'm sure, will prove to be a rich source of history of Odisha Police.
