

POLICE ORDER No. 291/92

It was laid down in P. O. No. 287/90 that willing O. S. A. P. Sepoys of 50 years of age and above would be eligible for consideration for appointment as Constables in the General Police.

Experience has shown that it would be more useful if such Sepoys from a Lower age-group are appointed in the general Police as Constables.

Therefore, sub-paragraph (ii) of P. O. No.287/90 is amended to the extent that willing Sepoys who have completed 35 years of age will be eligible for consideration for appointment as Constables in the General Police.
