Prompt response of odisha police in oxygen supply operations

Day or night, amidst rains or heat, our operation of prompt delivery of oxygen continues.

Today, one oxygen tanker broke down under Banarpal PS of Angul district. Angul police acted swiftly. Mechanic was arranged. Tanker was repaired. It has now left for its destination Vijaywada.

Earlier, on 08.05.2021, two tankers carrying oxygen from Angul met with accident, one at Hindol Ghati, Cuttack and other at Banki, Khordha.

In a swift joint operation by the SPs and police teams of 3 districts under the coordination of ADGP (L&O), JCBs and cranes were arranged, the tankers were brought on road, repaired by bringing mechanics and spares at the spot and their journeys resumed without any delay.

Odisha Police will leave no stone unturned and is committed to ensure prompt and unhindered supply of Oxygen to all deficit states.
