

ODISHA POLICE
STATE HEADQUARTERS
CUTTACK.

PRESS NOTE

Launching of eOffice in the Odisha Police Headquarters by Dr. R.P.Sharma, IPS, Director General of Police, Odisha on 19th March, 2018.

Executive Director, CMGI & IG, Personnel Sri Sanjaya kumar Singh in his Welcome Address stated that eOffice is an Office Automation System, developed by NIC and CMGI (Center for Modernizing Government Initiatives) is the State Implementing Agency for Odisha. Currently, CMGI is implementing eOffice in 10 Directorates and 4 Districts Collectorates and will implement eOffice in all the Directorates and Collectorates by December, 2018. Shri Singh said that implementation of eOffice at the State Police Headquarters is an excellent example of actualizing the 3T Mantra of the Hon'ble CM, i.e. Team Work, Technology and transparency. He emphasized that with implementation of eOffice, the service will be faster, it will boost the productivity and quality and also strengthen transparency of service offered.

Sr. Technical Director, NIC Dr. R.N.Behera told that Implementation of eOffice will replace the physical paper files with electronic file system improving the operation efficiency of the Government bodies. Officers can quickly search the file over the network and track at which level the file is pending leading to quicker action on the files.

Dr. R.P.Sharma, Director General of Police launched eOffice and started that eOffice will ensure Transparency, Effectiveness, Accountability and Convenience.

He said "Since we deal with lot of files that pass through several stages physically, it is not only cumbersome but time consuming. By implementing eOffice, our paper work will reduce by 80%. There will be no physical files to be dealt in the Police headquarters after June, 2018. Our endeavor would be to finally reduce it to 0% and achieve the goal of Paperless Office."

He also added "After the implementation of eOffice at the Headquarters it will be easy for the Range and District level offices to follow suits. It would be slightly inconvenient for those who are not computer savvy but with little effort everybody will overcome the handicap and start enjoying working on eOffice because of its user friendly nature."

He thanked CMGI and NIC team for their effort in launching eOffice in Police Headquarters and request that eOffice is introduced in the other police offices of the State as well.

At the end, Shri Asheet Kumar Panigrahi, IGP Headquarters extended the vote of thanks.

All Senior Officers including Shri Satyajit Mohanty, Addl DGP (Provisioning), Smt. B.Radhika, Addl. DGP Headquarters, Shri Amitabh Thakur, IGP Law & Order, Shri Pinaki Mohanty, Project Coordinator CMGI, Sri B. Satpathy, Technical Director, NIC were present during the eOffice Launch at Police Headquarters.
